WHY MARGARET BAG?

At MARGARET, delivering quality products is our utmost priority. Each stage of manufacturing a non-woven bag includes quality checks. The fabrics & designs are tested for quality & checked if they serve your purpose.

DURABLE BAGS

MARGARET BAG uses reliable material to produce non-woven bags of international standards, able to hold large weights.

FASHIONABLE OPTIONS

Our generic bags are some of the most widely used bags for general purposes. With a classy, fashionable look, MARGARET BAG offers the best options in the market.

TIMELY DELIVERY

As major market players, we ensure timely delivery of quality Non-Woven bags to our clients - thus making us reliable partners.

CUSTOM SOLUTIONS

As bag-makers, we create customized bags that match your brand identity and pull your target customers.

INNOVATIVE MARKET EXPERTS

At MARGARET BAG, we use the latest technologies and processes to achieve high-grade bag quality. We also lead the market development in terms of innovation.

DRAG & ECO-FRIENDLY BAGS

MARGARET's Non-Woven bags offer a feasible alternative to paper and plastic bags without causing any harm to the environment.
